

BitBook

Brief Presentation

BitBook Platform

ACCURATE AND HONEST MONITORING

for any period of time with reliable statistical data across all crypto exchanges and forex brokers.

A SMART TRADER RATING SYSTEM

with verified, transparent trading results, enabling monetization and income opportunities for both traders and end investors.

AN INFORMATIONAL AND ANALYTICAL FORUM

for communication and information exchange within the crypto and forex communities, as well as for knowledge monetization and awareness building.

Numerous market condition widget blocks to assist traders and investors — structured conveniently on a single page along with their accounts, according to user preferences.

A low average fee that covers all functionality makes the platform convenient and attractive.

User-configurable notifications and instant alerts help ensure no important market moments or critical trading situations are missed.

Integrated network marketing creates the foundation for a profitable and completely secure business opportunity for every user.

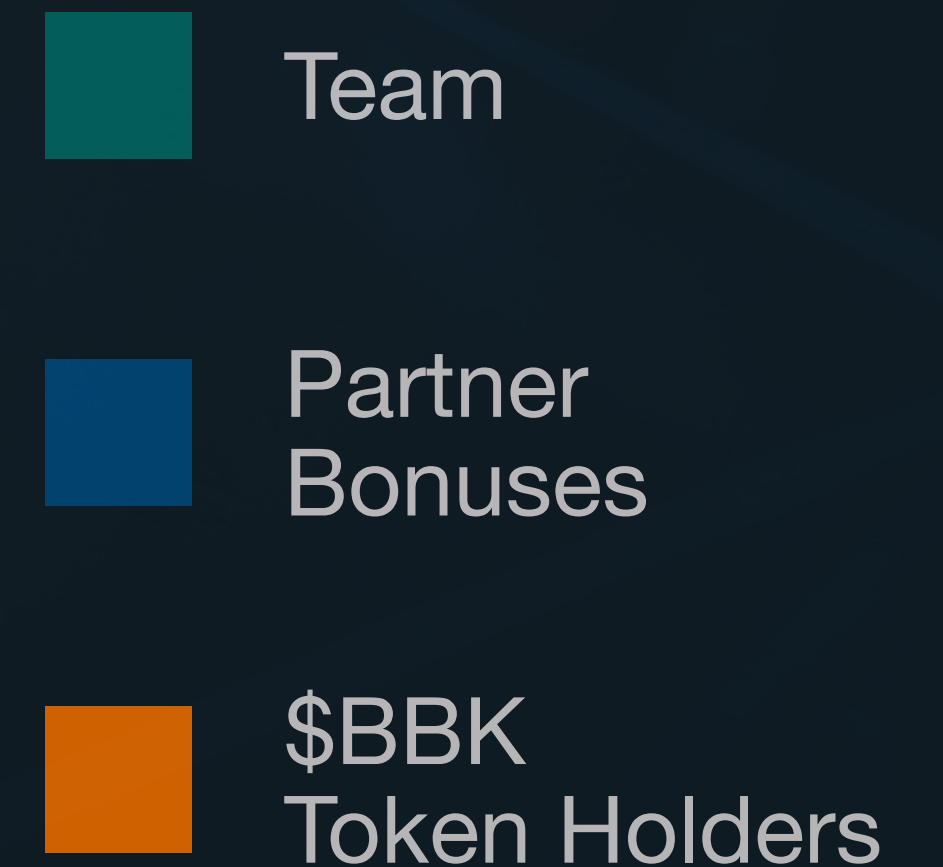

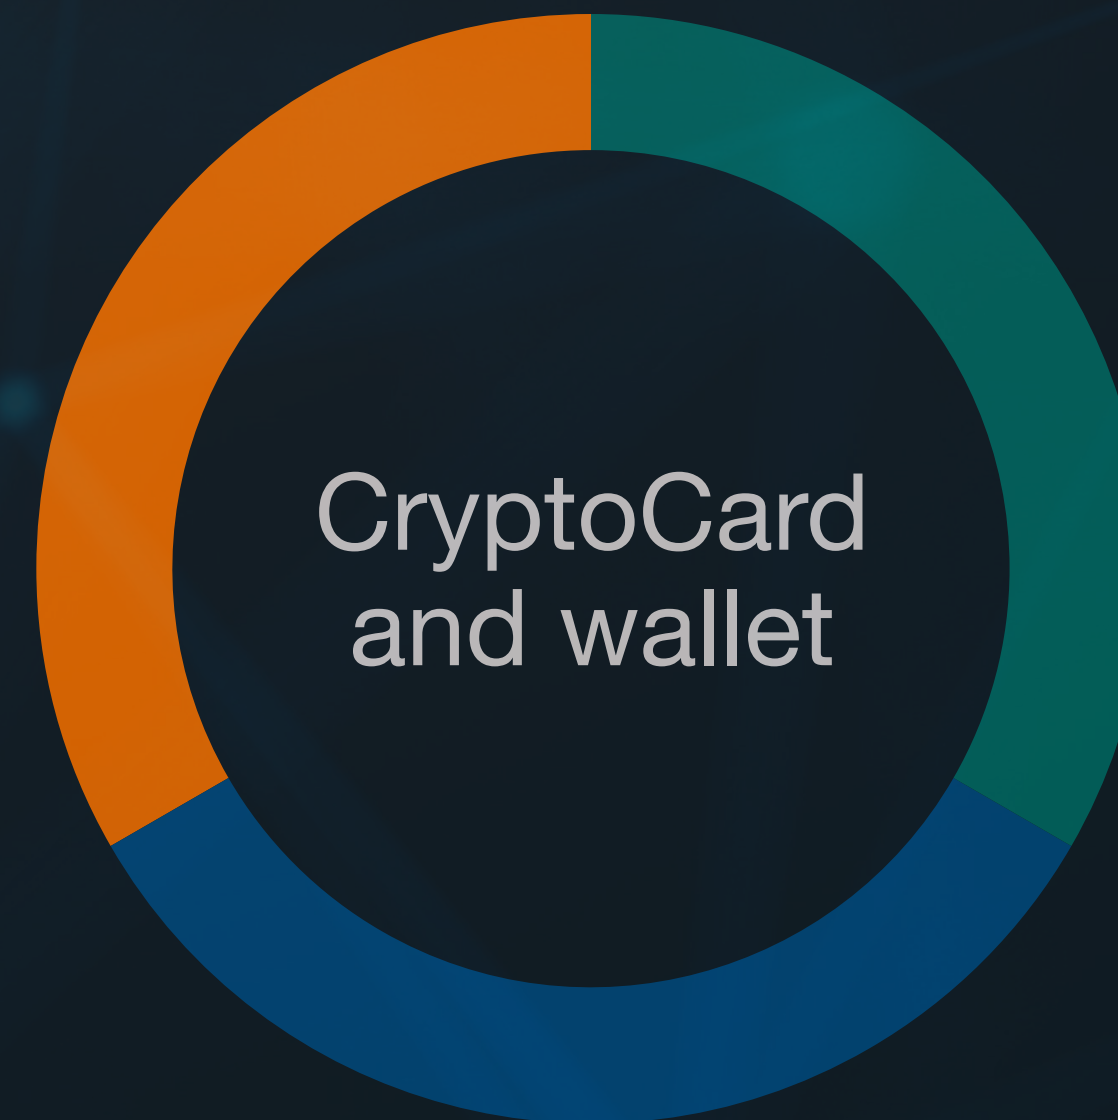

BitBook

BitBook Token

Round 1	0,01 \$
Round 10	0,055 \$
Round 20	0,105 \$
Round 30	0,155 \$
Round 40	0,205 \$
Round 50	0,255 \$
Round 60	0,305 \$
Round 70	0,355 \$
Round 80	0,405 \$
Round 90	0,455 \$
Round 100	0,505 \$

- 50% of the company's tokens are offered for sale
- Purchased tokens confirm equity ownership
- The more tokens, the greater the company share

- With each round, the token price increases by \$0.005
- Example: In Round 3 the token price is 2x the initial price
- And in Round 40 it's already 20x, and so on until Round 100

- Become a co-owner of the company with the press of a button.

Giveaway

1 000 000

Dollars

For every equity purchase of 100 USDT, 1 ticket is issued.

The more tickets, the higher the chances of winning.

- 1,000 USDT is given away for every 100K USDT of BitBook token sales.
- A total of 1,000 giveaways of 1,000 USDT each.
- Winners are determined by random ticket selection.
